Where Children Make Lifetime Memories... Columbia Academy Preschool and Junior Kindergarten

It's never too early to start thinking about your child's education. We would love to help you plan your child's educational experience. We invite you and your child to come see our wonderful facility, meet our dedicated staff and discover what makes Columbia Academy Preschool and Junior Kindergarten so unique.

OUR PURPOSE

To provide a Biblically-based preschool program that acts as an introduction to structured educational activities. This program works as a gradual transition into our full-time Junior Kindergarten or Kindergarten. It serves families and reaches out into the community.

OUR PHILOSOPHY

Columbia Academy Preschool is an enriched Christian program, providing a warm and caring atmosphere where children may choose to participate in child and adult-directed activities in order to promote healthy, overall development.

Through play experiences, the guidance of qualified staff, and careful program planning, the children will be exposed to situations at their level of development that will stimulate cognitive, social, emotional, physical, and spiritual growth.

OUR STAFF

Every staff member at Columbia Academy Pre-School is trained and qualified to meet the needs of the children enrolled in our programs.

All Staff are required to have a current criminal reference check.

Staff are trained in CPR and First Aid techniques to help ensure a safe, caring environment in which your child can play, learn and grow.
